SUMMARY

The Bridgewater Park Assisted Living facility is part of an overall Continuing Care Community that offers Independent Living, Assisted Living, Skilled Nursing and medical offices.

This two story building offers residents a choice of studio, one bedroom and two bedroom apartments. Upon entering, visitors and residents are welcomed with a grand staircase, bistro and game room. Upstairs, a library, dining room, fitness center, activity room and theater provide additional amenities for residents. Outside, a courtyard with water feature and seating areas is available. Finally, a twenty bed memory care wing completes the facility with its' own dining, living and activity spaces.
